

World Cup 2026 Sweepstake

Your local all age hospice caring for people across Bedfordshire, Hertfordshire and Milton Keynes.

Join the Fun and Support Keech Hospice

Whether you're in a pub, club, office, business, or simply playing along with friends and family. It's the perfect way to bring everyone together for some football fun while supporting local families who urgently need Keech's care.

How it Works

Your sweepstake, your rules — you decide:

- Who takes part
- What you charge per team (£5 or £10 recommended)
- How you split the prize pot

This sweepstake is based on 48 teams drawn at random, and players can buy multiple entries. Once the draw is done, the team you pick is yours for the whole tournament.

Every pound raised makes a real difference — for example, £100 could fund a memorable day out for a family or help create treasured memory boxes, giving comfort during incredibly tough times.

Why Take Part?

A sweepstake brings people together — colleagues, customers, teammates, friends — with a bit of friendly competition, lots of laughs, and the joy of knowing you're helping local families receive the specialist care they need.

How to Play

Get ready for some footy fun while making a real difference for people in your area when it matters most.

- Cut out the 48 teams from the Team Sheet.
- Pop them into a hat (or a bowl — or even a Keech mug!) and invite people to take a lucky dip for a £10 donation per team.
- Note down each participant's name, team, and contact details so you can crown your winners at the end of the tournament.
- Follow the tournament — once a team is drawn, it's theirs for the duration.
 - Celebrate your champions! The person who draws the World Cup 2026 winning team takes the top prize — and the glory.
 - See prize example below.
- Send your fundraising total to Keech Hospice so your support can start making a difference straight away.

Every dip, every giggle, every goal, and every pound raised helps us make the biggest difference.

Do it for Dave

For the man who spent a lifetime giving to others, and who found comfort, dignity and peace when he needed it most.

When lymphoma changed everything, Keech wrapped Dave and his family in the kind of care that reaches far beyond medicine — care rooted in compassion, faith, love and belonging.

Dave used his own experience to help others understand what hospice care really means: living well, being held with humanity, and knowing your family isn't facing things alone.

When you take part in our sweepstake or support Keech in any way, you're helping more people, just like Dave, feel safe, supported and surrounded by kindness.
