The difference you can make

Wrap a family in care

£50

could buy a specially adapted sensory toy for a child patient we support

£100

could buy social work support helping families access additional support following a diagnosis

£500

could buy a series of rehab sessions in our hydro pool with our Aquatic Therapist

£1,300

could pay for one day of nursing care in one of our in-patient units

Thank you for your support and for allowing us to wrap more families in care, this Christmas.
